A safe, accurate and cost effective solution to IV pump infusions

VIAL2BAG
ADVANCED

Universal, Needle-Free Admixture Device for Immediate Use Medication Preparation¹

Rx Only.

1. Universal compatibility with all manufacturer's IV bags in 50mL, 100mL or 250mL that contain an ISO standard IV port. The Vial2Bag Advanced® 13mm and 20mm admixture devices are indicated to serve as a connection between a 50mL, 100mL, or 250mL IV bag, vial with 13mm and 20mm closures, respectively, and an external IV administration set. The integrated vial adapter makes it possible to reconstitute and/or admix drugs prior to administration to the patient. Indicated for adolescent and adult patients only. West and the diamond logo are registered trademarks of West Pharmaceutical Services, Inc. in the United States and other jurisdictions. Vial2Bag Advanced and logo and the Blue and Orange Vial Adapters are trademarks of West Pharma. Services IL, Ltd., a subsidiary of West Pharmaceutical Services, Inc.
